## STUDENT-LED CONFERENCES

Washington Elementary students will have the opportunity to lead a conference with parents/guardians on **Friday, March 6, 2020 between 8:00am-3:00pm**. (Specific times slots have been sent home with your student)

The purpose of a student led conference is to spotlight the most important person in the process (the student!), improve parent involvement, and bring students to the point where they ask their teachers, "How do I work to improve and make myself better?" **Student-led conferences** put the student in charge, holding them responsible and accountable as they present their work to their parents. Students are preparing to have meaningful conversations with you regarding their progress this year and how they spend their school day.

This will be a non-student school day and families have scheduled times to participate. Your attendance is highly encouraged for this event.

## Box Tops and Litehouse Lids

Did you know that Litehouse will donate .50cents per lid returned to our school! Send in your clean lids.

Box Tops have gone digital, but there are still packages with “clippable” Box Tops. Check your packages and receipts.

Don't forget to include the teacher and student name with submission to get credit! Remember that there are prizes for the classroom with the most box tops. Prizes will also be given to students who have submitted the most box tops at the end of the year.

## Cold/Wet Weather Expectations

At Washington Elementary we believe outside time is important for kids. We go outside even in the wet and/or cold weather. Please have your child come to school with appropriate outerwear and footwear so they can play outside. **Sending extra dry clothes in their backpacks is always a good idea.**

Thank you!
