Safe Routes to School- May is National Bike to School Month!

This year's National Bike to School Day celebration takes place **May 8th, 2019!** If you haven't yet, it's time to refit your helmet, tune up your bike, and take it for a test ride so you can safely participate on Bike to School Day. If you cannot ride from your home, you could consider parking a few blocks from the school and ride the rest of the way. Safe Routes to School encourages you to choose to walk or roll to school as often as possible. Be aware of motorists and pedestrians, use proper hand signals, wear brightly colored clothing, and follow the rules of the road. Safe cycling! Bike Helmets are available through Safe Routes to School program, if your child needs one, please send a message on the Safe Routes Face book page, call the phone number below, or contact the school office).
